ORDER:-

In the G.O. 1st read above, the Government have accorded administrative sanction to incur an expenditure of Rs.3663.40 Lakhs during the financial year 2017 - 18 for providing common infrastructure facilities in connection with construction of Godowns and Cold Storages in the Market Yards for the year 2017 - 18. The list of works indicated in the annexure to the said order.

2. In the reference 2nd read above, the Commissioner & Director of Agricultural Marketing, A.P., Guntur has informed that, the Government have accorded administrative sanction for an amount for Rs.44.00 Crores for construction of 12 cold storages at various Market Yards in the State. The Superintending Engineer (AM) has accorded technical sanctions for 10 cold storages, out of 12 sanctioned and tenders were also called for through e-procurement platform. The Agricultural Marketing Department have reviewed the cold storage works to be taken up at various Market Yards on 17-5-2017 and decided to revisit the sanctioned works and submit the revised proposals duly making detailed examination with reference to technical feasibility and financial viability norms. Accordingly, the Commissioner & Director of Agricultural Marketing has reported that, the cold storages sanctioned earlier are designed for four floors (cost of Rs.4.00 crores) in case of 8 units and three floors (cost of Rs.3.00 crores) for four units and based on report of Superintendent Engineer(AM) after consulting with experts. The following observations emerged from this exercise.

1. The maintenance cost pertaining to man power is one and the same to cold storages with 3 to 5 floors. Hence, the man power cost would be optimum with cold storage units of 5 floors.

2. By increasing 1 (one) floor to the proposed 4 storied cold storage unit the operation cost per unit of storage will be reduced by 20% to 25%.

3. The Commissioner & Director of Agricultural Marketing has reported that, it is felt that, construction of 5 storied cold storage will be more useful and advantageous. The cost of each cold storage works out to Rs.5.00 Crores with 5 floors (capacity 4000MT) with additional provisions like fire fighting arrangements, mechanical lift and deposit to APTRANSCO Department for establishing transformer, which are mandatory as per norms of National Horticulture Mission.

4. The Commissioner & Director of Agricultural Marketing has requested to issue revised administrative sanction for construction of 12 Nos. of cold storages with estimated cost of Rs.5.00 Crores each in various Market Yards for total amount of Rs.60.00 Crores against the earlier sanctioned amount of Rs.44.00 Crores from Rural Development Fund.
